

<b>AIRBUS</b>		extrusion, injection-moulding, thermoforming components
A320 / A340 / A330 / A380		Interior (cabin, lavatory), cockpit > Raceway profiles, seat rail covers, cable brackets, light lenses, cockpit covers, grip rails, cover panels, protective frames, lavatory components, drainage parts, silicone profiles, etc.
A350		Interior (cabin) > hatrack profiles, ventilation parts, flooring profiles, light lenses, ancillary equipments, tables, engine parts, etc.
A400M		Interior (cabin), cockpit > cockpit covers, drainage parts, electrical parts, beams

<b>BOEING</b>		extrusion, injection-moulding, thermoforming components
B787		Interior (cabin)
B737		Interior (cabin) > toilet seat + cover assembly
B747		Interior (cabin, lavatory) > seat rail covers, raceway profiles, lavatory parts, engine parts, magazine racks

<b>SUKHOI</b>		extrusion, FDM, injection-moulding, thermoforming components
SUPERJET 100		Interior (cabin), structural > windows, air grills

<b>EMBRAER</b>		extrusion, milling, thermoforming components
PHENOM 300		Interior (cabin), cockpit > cup holder, speaker cover
LEGACY		Interior (cabin), cockpit > light lenses

## BOMBARDIER

extrusion, injection-moulding, milling, thermoforming components

BOMBARDIER

Interior (cabin)

> raceway, seat rail cover, end caps

## EUROFIGHTER

injection-moulding components

EUROFIGHTER

Structural

> CB Box

## EUROCOPTER

extrusion, injection-moulding, thermoforming components

EUROCOPTER

Interior (cabin), structural

> air conditioning, door cover

## COMAC

injection-moulding components

ARJ 21-700

Interior (cabin)

> light cover, filler panels

## ATR

thermoforming components

ATR 42 / ATR 72

Interior (cabin), cockpit

ATR 600

Interior (cabin), cockpit

> seat rail covers, grip rails
